Dear Parents

Gardening Club

This year school is intending to better promote the growing of plants and vegetable produce with the setting up of a gardening club. Our greenhouse (all plastic – no glass!) is currently being erected by the caretaker Gary Wood and this is going to be used to grow seedlings, tomatoes etc. The gardening club is going to be on a Tuesday after school and we would be very interested if there are any parents who would be interested in taking part in this venture with their children.

We hope to link the gardening project with Alrewas Open Gardens and involve the children in this community activity.

Wear Something Funny for Money 'Red Nose Day' Appeal

A huge thank you goes out to all of you who have helped the 'Red Nose Day' charity appeal by organising all sorts of cake sales, and other activities with your children in support of raising funds for homeless children in Africa. I will let you know how much we raised in next weeks letter.

Talent Show – Report by Year 6-

Today All Saints School launched it's Super Talent Show! Has All Saints' got talent? Children from ages 4-11 performed stunning acts, from dancing, to telling jokes. We all soon found out that All Saints' has got talent. Even the teachers performed a funny, but talented dance! We did all of this for charity (Comic Relief) so that we can make a difference to someone else's life.
