We would like to invite all parents of KS2 pupils (Years 3 – 6) to this **important** presentation about e-safety on Monday 22nd March from 4pm-5pm.

As the presentation will not be suitable for children we are providing a **crèche facility** for the duration of the presentation.

We hope that you can join us, please indicate on the form at the end of this letter if you can attend. If you have not already done so could you please return the form below to school on Monday morning.

After School Club

If you have any unwanted games or toys suitable, for use by the older children, which are in good condition they would be very much appreciated by Dawn and the After School Club team. Board games such as Junior Monopoly, Cluedo or Risk would be useful.

The Fleapit

This Saturday (March 20th) the award winning film 'Up' (U) will be shown at 4pm in the village hall. This is a great opportunity to take the children to see this delightful, intelligent and funny animated film with an edge if you missed it in October, without even going out of the village.

Tickets are £4.00 and available from Paul's newsagents or on the door. The doors open at 3.30pm and there will be drinks and popcorn available. There will be a short News Reel before the main feature which will include a couple of locally made three minute shorts including the highly acclaimed and recently Alrewas Oscar nominated Rutley film, 'The Man with the Red Gun'.

Sam Johns Is Running The London Marathon

I have the pleasure of running the London Marathon this year which is why I have been hanging around the gates in lycra and high visibility gear!

This will be my first marathon so it will be a huge achievement and I thought I could use the opportunity to raise money for a worthwhile cause.

My charity of choice is Cancer Research as my Mother is terminally ill with cancer and has undergone treatment successfully twice. But it is not just based on my own personal experience as most people I know have been touched by cancer and have family members or friends who have been through similar battles. So any money raised to support research into cancer and hopefully new treatments to beat it will benefit a lot of people.

I have set up a Just Giving web page which can be accessed through this link <http://www.justgiving.com/Samantha-Johns0> Thank you for your support - Sam Johns
