Dear Parents

### Reports

End of school reports will be sent out to you with the children next week. I hope to do this on Monday, however if school has not received all of the 'End of Key Stage 2' SATs results by then the Y6 reports will be sent to you later in the week. We have a limited number of appointments available for you if there is a need to discuss any aspect of your child's report with the teacher on Tuesday 7 July between 2pm – 5pm.

### Parents' Survey

Please find along with this week's newsletter a questionnaire that I am hoping you would fill in so that we can gauge how well you believe we are doing in school on a number of issues relating to your child's education. Your opinions are very important to us as without your feed back we cannot tailor the educational provision we offer to your needs. When the returned forms have been processed I will be feeding back to you the general levels of satisfaction that you describe and how we will be adjusting the way school goes about organising aspects of school life that you may feel need improving. Please return the completed forms to school by Friday 10 July.

**Sports Day – Report by Year 6**

On Friday 19<sup>th</sup> June, KS1 and KS2 took part in a very exciting Sports Day! We raised a phenomenal amount of £111.43 on the raffle. All the pupils took part in at least one race or an athletic event and tried very hard for their teams. The weather was good to us and the afternoon was very enjoyable. In the end Stafford won the KS2 sports Day event. Thank-you to all the parents for coming to support the children and for buying raffle tickets. Well Done to everyone!
