Sports Family Fun – February Half Term.

Come along with your children and try sports such as Football, Basket ball, Tag Rugby, Athletics & Dodgeball.

Open to all Parents/Guardians of children at All Saints.

It is on Thursday 18th February 9am – 12noon and the event is absolutely free as it is funded through the John Taylor Community & Learning Partnership. Look out for the information and a booking form that has been sent home this week.

Dinner Money and Milk Money

Please ensure that envelopes are **sealed** and **labelled** with child's year, name and what the amount is for. Please note that a lot of milk payments are overdue for children in infant classes.

Fantastic News

Ellie Shillitoe, Olivia Taylor, Amy Wilkinson, Holly Reynolds, Alex Bradbury, Megan Bradbury, Josie Hiller, Henry Rodgers, Joel Yates, Alex Wilson, Eli Tolson and Luke Tandy were part of a team of 13 boys and 13 girls who represented their county (Staffordshire) in the Midland Regional Finals at Coventry Leisure Centre. They competed against teams from Warwickshire, Birmingham, Shropshire, the Black Country and Hereford&Worcester.

As teams, they all worked really well together and achieved some personal bests among the results. The boy's team narrowly won beating the might of Birmingham and Warwick, while two girl's teams did very well to come third.

Using the Learning Platform in Yr 6

The Learning Platform is a brilliant website as you can share jokes, discuss homework and download forms for school. You have your own page and make your own v-mee, a model of yourself. By Kieran Mylrea

Year 6 are designing and then making their own version of the Wee man. This is for their 'keen to be green' project. The Wee man is made from electrical and general waste, such as washing machines, TVs microwaves, vacuum cleaners and mobile phones. – by Ciara Stanley 6AG.

Athletics County Championship Final

We left school at 12 noon and we ate lunch before we went. We went to Fenton Manor in Stoke where we would compete for the county championship. We all worked really hard and were well behaved; also we showed an outstanding performance for our school. In the end the team that won deserved it. We were pleased that we came second out of ten tough teams. All in all we had a great day. Thank-you Mr Johnson for organising the team.

News from Harry Stuart in Year 4

Year 4 have performed a wonderful show. In their show they did two thriller dances and two fashion shows (a boy's one and a girl's one). Mums, Dads and other relatives came. The costumes were weird, beautiful and cool, some made of crazy materials. The thriller we danced had funny moves, disco moves, zombie moves and sudden moves.

Year 3 Literacy

In Year 3 for literacy we have been looking at instructions. This is a fun recipe inspired by the story 'Beware of the Boys' for a good way to feed a hungry wolf.

Recipe for Girl Cake

Ingredients:

One Indian Girl
A spoonful of sugar
100 grams melted chocolate
A barrelful of carrots
8 frog's legs
100 grams water
2 rabbits
800 grams cows' and goats' milk
110 grams jam
189 bricks with cement
2 baby wolves
9 horses
3 nails
A barrel of cheesecake
1 massive tomato and chocolate cake

Method:

Peel the vegetables
Cook everything in a big brown pot.
Take everything out.
Then eat.

By Kyle Richardson, Year 3.

Nursery & Reception Classes – Men Matter Event

Over 30 adults were welcomed into the Early Years Foundation Stage on Friday 15th January to promote male role models in the setting.

The men had lunch with their child and then the model making competition began! The event closed at 3pm with the judging carried out by Gary Wood, Site Supervisor.

Prizes were awarded as follows:

1st Sam Bradley (Nursery)
2nd Charlie Mountney (Rec)
3rd Lucy & Lily Varley (Rec)
4th Jake Walker (Rec)
5th Joe Carmichael (Rec)
6th Laura Evans (Rec)
7th Benjamin Lea (Rec)

Prizes were donated as book vouchers from the Barton District Community and Learning Partnership.

Ami Edwards, parent support worker was also in attendance for advice. Her number is 0777 3791093 and she can advise on childcare, family support, outreach for parents, health support, employment etc.

Kitchen Corner

*9th February – Chinese New Year Day.
Please see the menu which is on the wall in the kitchen area.*

A big WELCOME to Samantha Prince who has joined the kitchen team!

If anyone is interested in covering illness, helping out on theme days etc, please contact Angela in the kitchen. (Training will be given).

Y6 Trip to Twycross – Monday 11th January

JTHS Science Transition Team arranged for us to go on a trip to learn about adaptation, interdependence and animals of the future. It was very snowy but we were well prepared. Some of the animals enjoyed the weather, like the penguins but some were not so happy like the giraffes - much happier, munching on hay inside. It was a new experience for us all as most of us had only been to the zoo in warm weather. Please come to look at our display in the junior corridor.

Fund Raising for Haiti

Haiti Aid - Cake Sale

On Tuesday 26th Jan we had a cake sale in the Junior waiting area. We had an incredible turn out and raised £65.40. The adults bought almost half the stall!!!

In March or April we will be organising a sponsored Bike ride. Thank-you for your Support. By Tomas Crean and Ryan Knight Y5.

Year 5 Sponsored Silence

The Year 5's were given a sponsor form that friends and family were asked to sign and write the amount of money that they were willing to sponsor their child/friend. The money goes to the people in Haiti that are in need of water. The day came and every child was excited. During the hour of silence we did yoga and a prayer for the people of Haiti. Then finally time was up and Year 5 celebrated with lots of noise!

Altogether Year 5 raised about £750! We are really proud of our efforts!

By Georgina Wheelton and Emily Shorthouse.

Year 5 Nonsense Poems – by Nathan De Giorgi.

Year 5 did some nonsense poems, we all really enjoyed it. Here's mine:

The Dog and the Flea.

The dog and the flea
Went to tea,
Where choices were on the menu,
The glowing blue waiter was
serving later,
which made it a very nice venue.

The spaghetti came from the nose of a yeti,
which lived in the caribbean islands,
when he was teen, he turned vivid green
and decided to move to the highlands,
he did, he decided to move to the highlands.

The dog said, "Oh, you itchy flea, how I love you so much so much, I do."
The table moved shape,
so they called in an ape to push the table heave-hoo, heave-hoo, to push the table heave-hoo.

For desert they had Kolkies and Nolkies,
which was filled with five billion stars.
The dog shot an arrow which went through a mallow which someone was eating in a car, a car, which someone was eating in a car.

But when a mole attacked
that was the last,
And the mole's ship was left avast,
avast,
and the mole's ship was left avast.
Or was it!
