6th February 2009

Dear Parents

Snow Closures

In the event of school having to be closed when the weather is particularly snowy I inform the following radio stations so that All Saints' can be added to the list of closed schools.

- Radio WM
- Heart
- BRMB & Capital Gold
- Centre/Touch FM

In addition to this a message is always put on the school web site:

www.allsaints-alrewas.staffs.sch.uk

I understand the disruption that may be caused when school is closed and we always do our very best to be open.

Medicines in school

Currently medicines including inhalers are kept in the school office and are administered by the clerical staff. From Monday 9th February any prescribed medicines (mainly inhalers) will be administered by the class assistant or teacher.

Medicines must be handed in at the school office where you will be given a form which must be completed and given to your child to pass onto the teacher.

Please do not send in to school prescribed medicines that are to be taken 3 times a day. If your child is prescribed a medicine to be taken 4 times a day we can arrange with you for a lunch-time dose to be given.

All medicines will be kept in a locked cupboard in the medical room.

Shin Pads

Due to new Health & Safety regulations children **must wear shin pads** during all football sessions including curriculum lessons. This applies to all children in Years 3, 4, 5, and 6.

Dinner Money

As we are approaching half term any outstanding dinner money must be brought into school by 9am on Monday 9th February (please include money for meals to be taken next week).

Yours sincerely

Mr J Gray
Headteacher
